5) The President of the Kolar Gold Fields Sanitary Board has sent up certain bye laws re the tax on dogs which was ordered to be levied thereby Govt. order dt 18.7.11 and requests sanction of Govt to them. Evidently the Board assume that the bye laws can be framed by them and that only the approval of Govt. is necessary under Rule 4 of the Rules constituting the Sanitary Board. (Notfn. dt 10th June 1901) As has been pointed out in many previous files, especially in L.B. File No 132 of 1908, the powers of the Board to frame bye-laws under the rules are very limited (*) Under Sec 35 (2) of the Mines Regn of 1906 the Sanitary Board may be invested with power to frame bye laws only for the special sanitation of the area for the Conduct of its business. Even these powers have not been specially Specifically bestowed when the Board except for the

the Conduct of its business and for the guidance of its members & servants (Rule 4 of the rules Constituting the Board) The proposed bye laws relating to dogs can scarcely be called held to relate to Special Sanitation; on the other hand, they relate, more or less, to public safety It seems to be clear therefore that the bye laws cannot be framed by the Board. If at all, they could be issued only as rules framed by Govt under Sec. 34 of the Mines Regulation, as was done in the case of Markets & Slaughter houses in Robertsonpet (Vide Govt order No 10263 dt 14-5-10) It is also submitted that even the powers of Govt to frame rules under Sec. 34 are limited to 'Special Sanitation' + Sanitary administration How far these bye laws now proposed would be covered by the wording of Section 34 of the Regn is submitted for consideration. Perhaps Sec. 34 (2) (e) may be held to cover the proposed bye laws

6) As regards the bye laws themselves they have been based on the rules

in force in the C+M Stn Bangalore with some trifling modifications. The only important modification is the omission of Rule 11 of the C+M St rules & of Rule 14 cl (1) offering rewards to any person giving information of the existence of unlicensed dogs or for bringing dogs to the pound. The Board seems to have thought that it is unnecessary to create a class of informers in this connection; & this view may be accepted.

7) Rule 2 Bye law 2. Three different authorities are appointed for receiving applications But they do not seem to possess the power to grant licence which seems to be reserved only to the Board under Bye law 3. This being so, only one office may be appointed to receive applications.

8) Bye law 3 The power to issue licence is reserved only to the Board. This is an unusual provision, such power being generally placed in the hands of the Chief Executive Officer. So it may be vested in the Vice President or any

9) Bye laws 11 + 12 The latter part of these bye laws also regarding the destruction of the dogs, ~~if con~~ would be opposed to Sec 36 of the Regulation, if considered as penalties prescribed for breach of the rules, as under that Section the only penalty allowed is a fine not exceeding 100 Rs. Sir,

I have the honor to invite reference to Government Order No. 484-5L.B.294-10-4 dated the 18th July 1911 sanctioning the levy of a tax on dogs in the area under the control of the Kolar Gold Fields Sanitary Board. With reference to para 2 of the above Order, observing that a " complementary measure would be to arrange to destroy all dogs which are not owned by anybody ", the Board passed the following Resolution at its Meeting held on the 22nd March 1912:-

" As rules regarding dog licenses do not prescribe any penalty in case of failure to take out license, it was resolved that a set of draft bye-laws be prepared and submitted to Government for sanction after approval by the Board ".

2. Accordingly the accompanying draft bye-laws were prepared on the basis of the rules in force in the Civil and Military Station of Bangalore, and were placed before the Board at its Meeting held on the 17th May 1912. The Board has approved of the draft rules and resolved to submit the same for the sanction of Government. (Vide copy of the Board's resolution enclosed for

Bangalore

Sir,

2 With reference to Government Proceedings No. 2826-L.B. 335-11-2 dated the 4th October 1912, sanctioning the introduction, into the Kolar Gold Fields Sanitary Board area, of bye-laws relating to the levy of a tax on dogs, I have the honour to state that the rules as revised by the Government having been read at the Meeting of the Board held on the 22nd Novembe 1912, the Board have resolved to request Government to insert the following after the first sentence of Rule 3 of the Bye-laws :

wdn no 2827 LB 335-11-38 4-10-1912

" Licenses shall be granted by the President of the Sanitary Board or such officer or other person as may be authorised by him in this behalf. "

2. The bye-laws as they now stand do not explicitly say by whom the licenses will be granted, although the power to refuse licenses is vested in the President or an officer appointed by him in that behalf. The practice hitherto has been that by an arrangement with the Superintendents of the Mines, license fees in respect of dogs in the Mining area may be paid to the Superintendent of the Mine concerned, and the

Superintendent, who has been supplied with printed license form issues the licenses for and on behalf of the President. Similarly, in the town of Robertsonpet, license fees are received and licenses issued by the Chief Sanitary Inspector, who has also been similarly authorised. This arrangement has been a great convenience and has worked satisfactorily, and the Board are of opinion that it may be continued. The new sentence now proposed to be inserted in rule 3 will enable the President to authorise the Superintendents of Mines and the Chief Sanitary Inspectors to issue licenses, for him and in his behalf, as heretofore.

3. I have the honour to request that the additions proposed by the Board may be approved.

4. Rule 2 of the bye-laws lays down that applications for licenses ~~should~~ shall be sent to the Vice President As there is nothing in this to prevent the applications being sent through the Superintendent of the Mine or the Chief Sanitary Inspectors as the case may be, no addition is proposed to this rule.

I have the honour to be,

Sir,

Your most obedient servant,

Madhavan

For President, Sanitary Board,

Kolar Gold Fields.
